Examiner's Comments

On August 22, 2006 the examiner spoke with applicant's representative Larry Anagnos who informed the examiner that the amendment and remarks filed August 16, 2006 were mistakenly labeled with the incorrect serial number. The documents were recovered and have been placed in the file of the current application.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103.

Specifically regarding independent claim 14, none of the prior art alone or in combination disclose or teach of a method of making a one-piece pocket size cardholder shaped fresnel magnifying lens comprising forming opposing parallel folded edges of a one-piece plastic sheet and providing fresnel contour lines on the one-piece plastic sheet, specifically wherein the step of forming the opposing parallel folded edges includes in combination: forming the one-piece plastic sheet with fresnel contour lines and tab-like extensions, applying controlled heating to the extensions, and bending the heat softened extensions to form the folded edges.

Specifically regarding independent claim 21, none of the prior art alone or in combination disclose or teach of a method of making a one-piece pocket size cardholder shaped fresnel magnifying lens comprising forming opposing parallel folded edges of a one-piece plastic sheet and providing fresnel contour lines on the one-piece plastic sheet, specifically wherein the step of forming the opposing parallel folded edges includes in combination: forming the one-piece

plastic sheet with fresnel contour lines and tab-like extensions, applying controlled heating to the extensions by placing the sheet over a table having properly spaced heating elements, and bending the heat softened extensions to form the folded edges.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
